# It's time to Walk for Life!

## We walk by FAITH, not by sight!

By Trevor MacLaren

TLC's annual Walk for Life is almost here! Bring the whole family for a morning of fundraising and lots of fun! If you missed last year's walk, here are some of the highlights according to my family:

- ♥ Face painting, balloon animals, riding on Daddy's shoulders, and a playground! (From my 3 yr old Avery)
- ♥ Coffee, food, a little exercise, quality time with friends and family, and learning more about TLC. Also a little friendly competition between the churches for the **Silver**

**Sneaker Award!** (from my husband, Joe)

- ♥ An opportunity to raise money for a great ministry while having fun with my family, great t-shirts, and spreading the word about all that TLC has to offer our community! (from me, Trevor)

You really don't want to miss this great event! Join up with others from your church to win the coveted Silver Sneaker Award, which goes to the church with the most sponsored Walkers! You can also win prizes like movie tickets, a houseboat ride, and even theme park tickets when

you raise pledges! And everyone who raises at least \$25 gets a great t-shirt.

**Raising pledges couldn't be easier** when your friends can sign your pledge sheet or go online to pledge you at [www.truelifechoice.com](http://www.truelifechoice.com)

Don't forget to pre-register at [www.truelifechoice.com](http://www.truelifechoice.com) to get your t-shirt size reserved and skip the registration line! Go do it right now before it slips your mind!

I'm looking forward to seeing you all there on March 26th!

If you would like to be removed from our mailing list, please return the panel from above in the enclosed envelope. Thank You.

## Financial Contributions

### Legacy Gifts

TLC is here to help you determine how to fulfill your philanthropic goals.

When you include TLC in your estate plan, you not only take advantage of the tax benefits of charitable giving you also help secure the future of our purpose and mission for generations to come. Although the most common choice is a direct gift from a bequest in a will or trust, there are opportunities that include using real

estate as well. Feel free to contact us with any questions you may have.

### Matching Grants

Check with your company's HR department to see if they contribute in this way.

**Credit Card** donations may be made online at [www.truelifechoice.com](http://www.truelifechoice.com) or through our Office at 407-244-5529. Ask for Irene.

We value your support and regard ourselves accountable to God for good stewardship of the funds you entrust to us. We are audited annually by an outside, independent CPA firm and provide an annual financial statement upon request. True Life Choice is a 501(c)(3) organization. All contributions of materials and finances are tax deductible.

Welcome Sheryl Hodil, R.N.  
Our FIRST Nurse Manager!

## The Director's Heart

“For we walk by faith, not by sight” 2 Corinthians 5:7

Dear TLC family and friends,

I hope you enjoyed the blessings of family and friend during the holidays. A new year always brings renewed hope. The Board of Directors have been working hard stepping forth in faith with the vision God has given us. January marked one year since we announced our intention to convert to a medical facility. Since that announcement, God has provided in ways and means that we never expected... but then, isn't that how He always seems to work? I've learned to expect the unexpected when it comes to walking by faith. Our walk towards this goal truly has been "by faith". We didn't have the resources, the volunteer numbers weren't increasing, and we were all scratching our heads as to how this would come about.

BUT GOD... my two favorite words in the Bible! God has miraculously provided a local businessman willing to purchase our ultrasound machine for us. He provided TWO family trusts that have paid for the nurse manager's salary. He provided a medical director who walked through our doors saying, "Hi I know I'm supposed to be here but I'm not sure in what capacity." I spoke to Carmen from First Baptist Orlando who knew someone giving away two exam tables. We will be receiving one of them. He sent us an amazing Nurse Manager who has experience in labor and delivery and is a home schooling mom. We received a grant from NIFLA for a training for our nurse manager, our medical director and myself helping us to convert to a medical facility. *Every day is an adventure when God is driving the ministry!* We were recently told by NIFLA that our estimated opening day of June can be pushed up to April! AND it looks like Focus on the Family will be providing us with a grant to pay for 80% of Sonography Now to come in and train our nurse on the machine we purchase. ISN'T GOD AMAZING???

Because the Lord is now equipping TLC with a medical clinic, we need to diligently market our services to reach more abortion minded women. Last year, approximately 11,000 women in Orange and Seminole county had an abortion. We must be more effective in reaching those who desperately need Godly counsel and the wonderful view of their child through ultrasound. It's time to expose the secret! TLC is hiring a part time development director to help with funding so we will be equipped to put together a great marketing plan. Please pray for us as we take another step in faith towards that goal.

The top two fundraisers we have will be our Walk for Life, March 26th and our Fundraising Banquet. Please partner with us by asking family, friends and church family to join you at one or both of these events. Far too many Christians in Orlando don't know we exist. Please help us to spread the word and join in God's work as He expands the Center and it's services. Please help us reach these women and their unborn. God knows the number of hairs on their head and He has a future prepared for them.

In His Grip,

Gail Picard, Executive Director

THANK YOU FOR BRINGING ME TO THE WALK!
